

## CURRICULUM VITA

**JAMES A. SWARTZ, Ph.D.**

University of Illinois Chicago  
Jane Addams College of Social Work  
1040 W. Harrison St. MC 309  
Chicago, IL 60607

(P) 312-996-8560 (C) 312-961-3843 (E) jaswartz@uic.edu

### EDUCATION

**06/90 Northwestern University Medical School, Department of Psychiatry and Behavioral Sciences, Chicago, Illinois.**

Ph.D. in Clinical Psychology.

**Dissertation Title:** *Cocaine and Opiate Use among Arrestees: Prevalence estimates and a theoretical and empirical investigation of factors relating drug use to violent crime.*

**01/82 Loyola University, Department of Psychology, Chicago, Illinois.**

M.A. in Behavioral Research.

**Thesis Title:** A WATFIV implementation and evaluation of a rubric for the reduction of extraneous variability in the observed frequency of infant state transitions.

**05/77 University of Notre Dame, College of Arts and Letters, South Bend, Indiana.**

B.A. in Biological Sciences and Psychology.

### ACADEMIC HONORS

**09/85** Winnicott Scholar, Chicago Institute for Psychoanalysis.

**09/81 to 05/85** Northwestern University Scholar scholarship awarded through the graduate school.

### POSITIONS SINCE COLLEGE GRADUATION

#### *Research and Technical Positions*

**09/22 to present** **Interim Associate Dean for Research**, Jane Addams College of Social Work, University of Illinois Chicago.

**08/17 to present** **Full Professor with tenure**, Jane Addams College of Social Work, University of Illinois Chicago.

**08/06 to 08/17** **Associate Professor with tenure**, Jane Addams College of Social Work, University of Illinois Chicago.

**07/02 to 08/06** **Associate Professor**, Jane Addams College of Social Work, University of Illinois Chicago.

**12/00 to 01/02** **Project Manager, Quality Assurance Analyst**, ThoughtWorks, Inc, Chicago, Illinois.

**06/00 to 12/00** **Senior Analyst, Project Manager**, Ponvia Technologies, Arlington Heights, Illinois.

**04/87 to 06/00** **Director of Research and Information Services**, Treatment Alternatives for Safe Communities (TASC), Inc. Chicago, Illinois.

**08/86 to 04/87**      **Research Associate**, Nursing Systems Resources Department, Northwestern Memorial Hospital, Chicago, Illinois.

**08/85 to 08/86**      **Chief Data Analyst**, Department of Psycho-legal Studies, Northwestern Memorial Hospital, Chicago, Illinois.

**08/83 to 04/87**      **Programmer Analyst**, Management Information Systems, Institute of Psychiatry, Northwestern Memorial Hospital, Chicago, Illinois.

#### ***Clinical Positions***

**09/87 to 12/93**      **Private Practice**, Chicago, Illinois.

**07/85 to 09/87**      **Staff Therapist**, Lincoln Park Clinic, Columbus Hospital, Chicago. Illinois.

**04/79 to 05/84**      **Mental Health Worker**, Adult and Chemical Dependence Units, Institute of Psychiatry, Northwestern Memorial Hospital, Chicago, Illinois.

**03/79 to 04/79**      **Clinical Specialist**, Inpatient Unit, Ridgeway Hospital, Chicago, Illinois.

#### ***Teaching Positions***

**09/97 to 07/03**      **Adjunct Faculty**, Department of Criminal Justice, Loyola University, Chicago, Illinois.

**09/95 to 04/97**      **Adjunct Faculty**, The Chicago School of Professional Psychology, Chicago, Illinois.

**09/92 to 05/94**      **Adjunct Faculty**, The Illinois School of Professional Psychology, Adjunct Faculty, Chicago, Illinois.

#### **FUNDED RESEARCH and EVALUATION GRANTS**

**01/23 to 12/27**      **Co-I. UIC Institute for research on addictions: Addictions in Context, Advancing Interventions**; This project will develop a collaborative research institute to advance research, practice, and policy to improve the lives of individuals, families, and communities affected by addictions. The project team includes faculty from 7 colleges and 11 departments and brings together transdisciplinary expertise from psychiatry, psychology, public health, social work, medicine, pharmacy, computer science, and systems sciences all working together synergistically to promote collaborative addictions research and career development; funded by the UIC Office of the Vice Chancellor for Research in the amount of \$2.0 million (total costs) over 4 years.

**09/22 to 09/27**      **PE. Prevention of prescription drug opioid overdose related deaths**; This 5-year project is an extension and continuation of the earlier project to prevent opioid overdoses. This project is focused on preventing opioid overdoses and related fatalities among Illinois residents 18 years or age or older residing in Cook County. As with the earlier project, this prevention program seeks to expand locally based overdose prevention infrastructure capabilities in communities of high need.; funded by the Substance Abuse and Mental Health Services Administration (SAMHSA) in the amount of \$5,000,000 (total costs) with \$500,000 for the evaluation component.

- 9/21 to 8/22**      **Data Analyst.** *Project POINT: Effectiveness and Scalability of an Overdose Survivor Intervention*; this study was a secondary analysis of data obtained for a project to assess the effectiveness of a peer-recovery coach model in an emergency room context for improving substance use treatment engagement and follow-up care among persons who experienced a recent overdose. Latent class analysis will be used to analyze data collected from the hospital emergency departments participating in the study as well as data collected by the peer-recovery coaches providing immediate and follow-up care; funded by Indiana University in the amount of \$368,000 (total costs) with \$49,235 for the data analysis.
- 3/21 to 6/25**      **PI.** *Cannabis Regulation and Tax Act Evaluation (CRTA) Study*; this study will engage in data collection, analysis, and project evaluation under the guidance of the Illinois Department of Human Services/Division of Substance Use Prevention and Recovery and the Adult Use Cannabis Health Advisory Committee. The overall goals are to determine the public health impacts of legalizing recreational cannabis use and to assess the implementation, efficacy, and effectiveness of substance misuse and mental health treatment and prevention programs developed with funding from the CRTA. Funding is in the amount of \$6.8 million (total costs).
- 04/20 to 4/25**      **Consultant.** *Predictive analytics applied to integrated administrative emergency response datasets in Chicago*; this study will develop a cross-agency, integrated dataset to trace emergency calls in Chicago from origin to disposition. The goal is to use the linked data to identify high-risk persons and high-risk locations to improve the response to emergency calls involving persons in a behavioral or mental health crisis. Funding is in the amount of \$1 million (total costs).
- 12/19 to 9/22**      **PE.** *Demonstration project to increase substance use provider capacity (Illinois SUPPORT)*; This was a needs assessment that conducted a statewide survey to determine the prevalence of opioid use disorders among adult Illinois residents on Medicaid managed care, unmet treatment need, and current treatment capacity of medication assisted treatment; it was funded by the Illinois Department of Healthcare and Family Services through a grant from the Center for Medicare and Medicaid Services in the amount of \$1.4 million (total costs).
- 11/19 to 10/22**      **PI.** *Adaptation of a paper analytic device for use as a drug-checking technology for street drugs to reduce opioid overdoses and related fatalities*; this 2-year project sought to assess the feasibility and utility of a new technology for testing street drug samples – an illegal drug paper analytic device (idPAD) – that is inexpensive, and easy-to-use but accurate and does not require technical expertise to use or interpret. The study also explored using a mobile phone-based experience sampling method to collect data on idPAD use and overdose risk among street drug users; funded by the UIC Center for Clinical and Translational Science in the amount of \$60,000 (total costs).

- 4/19 to 05/22** **Co-PI.** *Project STAMINA (Syringe Service Treatment Access for Medication-Assisted Intervention through NAvigation): Development and testing of a health navigation approach for linking syringe service program clients to medication assisted treatment; this 3-year project will assess implementation and test the effectiveness of a model for linking people who use opioids to evidence-based medication assisted treatment through a syringe service program-based intervention combining health navigation with immediate linkage to care; funded by the Arnold Foundation in the amount of \$1,400,000 (total costs).*
- 10/17 to 09/21** **PE.** *Prevention of prescription drug opioid overdose related deaths in Illinois; this 5-year project will implement and evaluate the expansion of training and naloxone distribution in areas of Illinois where there have been high rates of increase in heroin, prescription, and other opioid-related overdoses and deaths; funded by the Substance Abuse and Mental Health Services Administration (SAMHSA) in the amount of \$5,000,000 (total costs) with \$500,000 for the evaluation component.*
- 07/13 to 12/17** **PI.** *Access to and engagement in substance abuse and HIV prevention and treatment among transgendered women of color: An intervention and instrument development pilot study; this was a pilot study to develop and test methods for studying the health care needs and treatment engagement of transgendered women with a focus on ecological momentary assessment; funded by the UIC IGNITE initiative in the amount of \$20,000 (total costs).*
- 10/08 to 09/11** **PI.** *A Life Course Perspective Model of HIV Risk and Substance Use Patterns among MSM; this study sought to statistically model the longitudinal associations of individual level factors such as HIV status, health status, and safe-sex fatigue as well as social-contextual factors such as age cohort and the advent of HAART, as they affect the dual trajectories of HIV risk behaviors and substance use to develop better prevention interventions; funded by the National Institute on Drug Abuse, in the amount of \$314,000 (total costs).*
- 04/09 to 08/10** **PI.** *LGBT Intramural Grant: Online survey of substance use and health condition among MSM; this intramural grant from UIC provided funding to conduct an Internet-based survey of drug use among Chicago MSM that was used to inform a public health campaign run by the AIDS Foundation of Chicago; funded in the amount of \$5,000 (total costs) by the Chancellor's Committee on the Status of LGBT Issues.*
- 10/06 to 09/07** **PI.** *Investigator initiated research: A study of co-occurring conditions and treatment coordination for jail detainees; this was a study of the prevalence of and associations among psychiatric, substance use, and medical disorders; funded by the Illinois Criminal Justice Information Authority in the amount of \$166,000 (total costs).*
- 09/03 to 01/08** **PI.** *Jane Addams Substance Abuse Research Collaboration; this was a federally funded project to develop research infrastructure within the College; funded by the National Institute on Drug Abuse in the amount of \$1.9 million (total costs).*
- 12/04 to 07/06** **Co-PI.** *An Evaluation of the Cook County Juvenile Court Clinic; this was an evaluation of the effects of re-organizing and restructuring the CCJCC; funded by the MacArthur Foundation in the amount of \$50,000.*

- 05/04 to 09/04** **PI.** *Pilot study of co-occurring psychiatric and substance use disorders among jail detainees at the Cook County Jail*; this was a study of jail detainees in psychiatric and drug treatment to test the administration of a structured, clinical diagnostic interview with a treatment population; funded by Treatment Alternatives for Safe Communities, Inc. (TASC) in the amount of \$9,000.
- 12/03 to 11/07** **PI.** *Reclaiming Futures - Cook County*; three-year study that evaluated the effectiveness of drug treatment enhancements for probationed juvenile delinquents; funded by the Robert Wood Johnson Foundation in the amount of \$185,000.
- 11/03 to 10/04** **PI.** *A Study of Arrestees with Co-Occurring Psychiatric and Substance Use Disorders*; this study used synthetic estimation techniques to determine the prevalence of co-occurring psychiatric and substance use disorders among adult arrestees; funded by the Robert Wood Johnson Foundation Substance Abuse and Policy Research Program in the amount of \$62,000.
- 10/02 to 09/03** **PI.** *Chicago Practice Improvement Collaborative*; evaluation study of a project to improve the connections between drug treatment and research; funded by the Center for Substance Abuse Treatment in the amount of \$10,000 (for the evaluation component).
- 04/97 to 04/99** **Co-PI.** *The Effects of Discontinuing Supplemental Security Income (SSI) Disability Benefits for Drug Addicts and Alcoholics (DA&A)*; secondary analysis of Medicaid and publicly-funded drug treatment data and an ethnographic study of the outcomes of terminating the SSI DA&A program; funded by the Robert Wood Johnson Foundation Substance Abuse Policy Research Program in the amount of \$1.4 million (total costs); Co-PI.
- 05/92 to 10/00** **PI.** *The Arrestee Drug Abuse Monitoring (ADAM) Program* (formerly, the *Drug Use Forecasting Program*); multi-site, epidemiological study of drug use among adult arrestees; funded by the National Institute of Justice in the amount of approximately \$200,000 per project year (2 million total costs); Cook County site.
- 01/98 to 01/99** **Co-PI.** *An Evaluation of Treatment Programming for Adult Sex Offenders in Cook County*; evaluation study of the effectiveness of cognitive-behavioral treatment for probationed adult sex offenders; funded by the Illinois Criminal Justice Information Authority in the amount of approximately \$200,000.
- 03/97 to 08/97** **PI.** *Gun Ownership and Use by Chicago Adult Male Arrestees*; secondary analysis of gun addendum data collected as part of the Drug Use Forecasting Program; funded by the Illinois Criminal Justice Information Authority in the amount of 15,000.
- 11/96 to 11/99** **PI.** *Multi-Site Study of the Termination of Supplemental Security Income (SSI) Benefits for Drug Addicts and Alcoholics (DA&A)*; two-year longitudinal study of the effects of terminating SSI/DA&A benefits on former recipients in nine sites across the country including Chicago; funded by the Center for Substance Abuse Treatment in the amount of \$1.2 million (total costs); Chicago site.
- 04/95 to 05/96** **PI.** *Illinois Statewide Drug Use Forecasting (DUF) Study*; epidemiological study that expanded the DUF protocol to smaller metropolitan areas in Illinois for the purpose of estimating the prevalence of illegal drug use among adult arrestees in the state; jointly funded by the Center for Substance Abuse Treatment, the Illinois Criminal Justice Information Authority, and the Illinois Department of Alcoholism and Substance Abuse in the amount of \$196,000.

- 10/93 to 10/94** **PI.** *The Level of Treatment Need among Illinois Prisoners*; study of the prevalence of substance abuse and dependence among adult prison incarcerates in Illinois; funded by the Center for Substance Abuse Treatment in the amount of \$175,000.
- 01/91 to 12/96** **PI.** *An Evaluation of a Jail-based, Substance Abuse Treatment Program*; evaluation study of a federally-funded demonstration project that provided phased substance abuse treatment to jail detainees; funded by the Center for Substance Abuse Treatment in the amount of \$250,000 (evaluation component).
- 10/91 to 05/92** **PI.** *A Comparative Analysis of Illinois Drug Use Forecasting Data with Chicago Data*; secondary analysis to compare prevalence of drug use among arrestees in smaller metropolitan areas of Illinois with those of arrestees in Chicago; funded by the National Institute of Justice in the amount of \$24,000.

### **Program Evaluation and Statistical Analysis (Consultation)**

- 09/22 to 09/27** **PE.** *Healthcare Alternative Systems Medication Assisted Treatment Expansion*; This project expands medication assisted treatment (i.e., methadone) for persons with an opioid use disorder living in the Chicago Austin community. The evaluation will examine the extent to which the project has met its process and outcome goals in key areas of planned activities; funded by the Center for Substance Abuse Treatment in the amount of \$1.6 million/with \$120,000 for the project evaluation.
- 09/17 to 09/21** **PE.** *DuPage County Comprehensive Addiction and Recovery Program - First Responder*. This project expanded and promoted the DuPage Narcan Program, which equips law enforcement officials and other first responders to respond to the opioid overdose epidemic in DuPage County. The evaluation examined the extent to which the project met its process and outcome goals in key areas of planned activities; funded by the Center for Substance Abuse Prevention in the amount of \$1.6 million/with \$120,000 for the project evaluation.
- 02/14 to 01/16** **PE.** *Co-located Community-based Integrated Healthcare Services for Latinos*; This project implemented a behavioral healthcare clinic within a community-based primary care clinic in the Pilsen community. The evaluation examined the clinical characteristics and services provided to Latinos that were served by the co-located clinic; funded by the Chicago Community Trust in the amount of \$150,000/\$20,000 to Healthcare Alternative Systems.
- 04/13 to 05/14** **Co-PI.** *Evaluation of the DuPage County Mental Illness Court Alternative Program (MICAP)*; This evaluation studied the effects of service expansion for offenders with serious mental illnesses under the supervision of the DuPage County Mental Health Court; funded by the Bureau of Justice Assistance in the amount of \$40,000 to DuPage County Probation Department.
- 03/13 to 04/14** **PI.** *An Assessment of the Treatment Need for Substance Use Disorders and Related Health Conditions by Chicago Community and Illinois County Areas*; Based on data collected for the National Survey on Drug Use and Health as well as Illinois treatment and social indicator data, this study developed statistical models to assess the unmet need for alcohol and other drug use disorders in Illinois and was used by the state for treatment planning and resource allocation; funded by SAMHSA from a grant to the Illinois Division of Alcoholism and Substance Abuse in the amount of \$20,000.

- 09/12 to 08/17** **PE.** *Enhancing Engagement and Retention in Quality HIV Care for Transgender Women of Color: Special Projects of National Significance*; This project tested and evaluated hormone replacement therapy as an intervention to better engage and retain transgender women in HIV-related medical care; funded by the Health Resources & Services Administration in the amount of \$1,500,000/\$175,000 to the Howard Brown Health Center.
- 02/11 to 05/11** **PE.** *Forum on Transgender Issues*; Applied for and received funding to hold community forum on transgender issues at the Center on Halsted as part of the Crystal Prevention Project; funded by the UIC Institute for Policy and Civic Engagement in the amount of \$5000 (total cost).
- 02/09 to 08/09** **Co-PI.** *Evaluation of the Chicago Housing Authority Substance Abuse Treatment Referral Program*; At the request of the CHA, this evaluation examined reasons for there being fewer than expected referrals of CHA residents for assessment and substance abuse treatment; funded by the Chicago Housing Authority in the amount of \$50,000.
- 10/07 to 09/12** **PE.** *Improving HIV risk reduction services for women of color*; This program tested model that enhanced prevention services to reduce the risk of HIV infection among women of color attending substance abuse treatment in a community-based residential treatment program; funded by the Substance Abuse and Mental Health Services Administration in the amount of \$1.5 million/\$150,000.
- 01/07 to 12/11** **PE.** *Targeted Capacity Expansion Program for Substance Abuse Treatment and Special Projects of National Significance*; This project sought to reduce HIV risk behaviors and promote health among MSM through a multi-faceted, community-based intervention targeted towards 5 Chicago communities with high rates of HIV infection and AIDS; funded by the Chicago Department of Public Health through a grant to the AIDS Foundation of Chicago in the amount of \$600,000 (approximate total costs).

- Swartz, J. A. (1997, March). *Are we winning the current "War on Drugs?"* Presentation to the annual membership meeting of the Illinois Alcoholism and Drug Dependence Association. Arlington Heights, IL.
- Swartz, J. A. & Uk, M. (1996, October). *Using the Internet and client-server technology to develop a client database*. Presentation to the Illinois Alcoholism and Drug Dependency Association Annual Conference, Naperville, IL.
- Swartz, J. A. & Uk, M. (1996, April). *Implementing managed care systems for criminal justice clients*. Presentation at the National TASC Conference, Chicago, IL.
- Swartz, J. A. (1995, November). *The effectiveness of a federal demonstration jail-based drug treatment program*. Paper presented at the American Society of Criminology, Boston, MA.
- Swartz, J. A. (1994, December). *The effectiveness and cost-benefits of substance abuse treatment for criminal offenders*. Presentation to the joint meeting of the Illinois State Bar Association and the Illinois Judicial Association, Chicago, IL.

- Swartz, J. A. (1994, September). *Recent research findings from the Chicago DUF Study and the Illinois Statewide Prison Survey*. Presentation to the Cook County Technical Advisory Committee, Chicago, IL.
- Swartz, J. A. (1994, March). *Preliminary findings of an outcome evaluation of a jail-based substance abuse treatment program*. Presentation to the Center for Substance Abuse Treatment Cluster Meeting, Arlington, VA.
- Swartz, J. A. (1994, March). *Building programs through research and evaluation*. Presentation to the National Consortium of TASC Programs, Dallas, TX.
- Swartz, J. A. (1993, November). *Utilizing and interpreting the Chicago Drug Use Forecasting (DUF) data*. Presentation to the Illinois Criminal Justice Information Authority, Springfield, IL.
- Swartz, J. A. (1993, October). *Assessing clients - evaluating programs*. Presentation at the annual membership meeting of the Illinois Alcoholism and Drug Dependence Association, Naperville, IL.
- Swartz, J. A. (1993, July). *Conducting evaluation research for jail-based substance abuse treatment program*. Technical assistance workshop, Charlottesville, VA.
- Swartz, J. A. (1993, April). *Preliminary findings from an outcome study of the Substance Abuse Treatment Program at the Cook County Jail*. Presentation to the Center for Substance Abuse Treatment Cluster Meeting, Chicago, IL.
- Swartz, J. A. (1993, April). *Current trends in the Chicago Drug Use Forecasting (DUF) data: February 1993 results*. Presentation to the Cook County Technical Advisory Committee, Chicago, IL.
- Swartz, J. A. (1993, January). *Current trends in the Chicago Drug Use Forecasting (DUF) Data: November 1992 results*. Presentation to the Cook County Technical Advisory Committee, Chicago, IL.
- Swartz, J. A., & Heaps, M. (1992, June). *The criminal behavior of addicts and the addictive behavior of criminals: The need for corrections-based substance abuse treatment programs in Illinois*. Presentation to the Governor's task force on prison overcrowding, Chicago, IL.
- Swartz, J. A. (1990, March). *The treatment needs of addicted criminal offenders*. Paper presented at the National Academy of Criminal Justice Sciences, Denver, CO.
- Slaymaker, F., Swartz, J., Nagy, J., & Holmes, D. (1983). *Prematurity, hospitalization and illness assessed as independent predictors of state variability and persistence*. Paper presented at the meeting of the Midwestern Psychological Association, Chicago, IL.

## PROFESSIONAL ACTIVITIES

### *Ad hoc* reviewer for the following peer-reviewed journals:

- *AIDS and Behavior*
- *AIMS Public Health*
- *American Journal of Epidemiology*
- *American Journal of Public Health*
- *Archives of General Psychiatry*
- *BMC Public Health*
- *Contemporary Drug Problems*
- *Criminal Justice and Behavior*
- *Drug and Alcohol Dependence*
- *International Journal of Drug Policy*
- *International Journal of Preventive Medicine*
- *Journal of the American Medical Association*
- *Journal of Natural Science, Biology, and Medicine*
- *Journal of Offender Rehabilitation*
- *Justice Research and Policy*
- *Justice Quarterly*
- *Medical Care*
- *Preventive Medicine*
- *Psychiatric Rehabilitation Journal*
- *Sexuality Research and Social Policy*
- *Social Science & Medicine*
- *Substance Use and Misuse*
- *AIDS Care*
- *American Journal of Men's Health*
- *American Journal of Orthopsychiatry*
- *American Journal on Addictions*
- *Behavior and Social Issues*
- *BMJ Open*
- *Crime and Delinquency*
- *Drugs*
- *Evaluation and Program Planning*
- *International Journal of Environmental Research and Public Health*
- *International Journal of Mental Health and Addiction*
- *Journal of Homosexuality*
- *Journal of Nervous and Mental Disease*
- *Journal of Pain and Symptom Management*
- *Journal of Substance Abuse Treatment*
- *LGBT Health*
- *PLOS One*
- *Psychiatric Services*
- *Psychological Medicine*
- *Social Psychiatry and Psychiatric Epidemiology*
- *Social Services Review*
- *World Medical and Health Policy*

**Panel Reviewer**

**National Institutes of Health - Center for Scientific Review**

- Special Emphasis Panel: Population sciences and epidemiology (2021, April).
- AIDS and AIDS Related Research (AARR) Integrated Review Group (2020, July).
- Community-level health promotion, *ad hoc* reviewer (2020, February).
- AIDS and AIDS Related Research (AARR) Integrated Review Group (2019, October).
- Community-level health promotion, *ad hoc* reviewer (2019, June).
- Community-level health promotion, *ad hoc* reviewer (2019, February).
- Special Emphasis Panel: Reducing stigma to improve HIV/AIDS care (2018, March).
- Member Conflict: Community influences on health behavior (2017, November).
- Special Emphasis Panel: Health care delivery and methods (2017, June).
- Special Emphasis Panel: Sociobehavioral aspects of HIV prevention and control (2017, March).
- Social and behavioral Influences on HIV prevention and treatment (2016, December).
- Special Emphasis Panel: Proposals of standing committee members (2016, November).
- Special Emphasis Panel: Proposals of standing committee members (2016, July).
- Special Emphasis Panel: AIDS and related research (2016, April).
- AIDS--Science Track Award for Research Transition (2014, November).

**National Institutes of Health – National Institute on Drug Abuse**

- Seek, Test, Treat and Retain for Youth and Young Adults Living with or at High Risk for Acquiring HIV (2015, July).
- Phased Services Research Studies of Drug Use Prevention, Addiction, Treatment, and HIV (2012, October).
- American Recovery and Reinvestment Act Grant Opportunities (2009, July).
- Special Emphasis Projects (2009, February).
- NIDA-F Services Research Review Group (Standing Review Committee) (2007 – 2010).
- Special review committee for research center grants (1996, April).
- HIV/AIDS grants special panel (1992, February).

**Robert Wood Johnson Foundation Substance Abuse Policy Research Program**

- Proposal Reviewer (2000 – 2004).

**Office of Treatment Improvement**

- Peer review panel (1991).

### ***Other Review, Editorial, and Membership Activities***

- *American Public Health Association* abstract reviewer (2016 - present).
- *AIMS Public Health* editorial board member (2015 - present).
- *BMC Public Health – Health behavior, health promotion, and society* editorial board member (2020 – present).
- Chicago Task Force on LGBT Substance Use and Abuse member (2007 – 2012).
- *Contemporary Drug Problems* guest co-editor (2000, January).
- *Journal of Law and Human Behavior* student editor (1989, September).
- Pennsylvania Department of Health, Pennsylvania Performance Review, 2008 Mental Illness and Substance Use Disorder: Behavioral Treatments (2008, August).
- Pennsylvania Department of Health, Pennsylvania Performance Review, Non-formula final grants for Temple University (2002, August).
- PROMOTE Study OSMB Member (2023 – present).
- *Society for Social Work and Research* abstract reviewer (2009 – present).
- *Women & Criminal Justice* guest co-editor (2006, January).

### ***Professional Memberships***

- *American Public Health Association* (APHA).
- *American Psychological Association* (APA).
- *American Society for Criminology* (ASC).
- *Society for Social Work and Research* (SSWR).

### **SERVICE TO JANE ADDAMS COLLEGE OF SOCIAL WORK**

- Social Work within the Justice System Committee (2021 – present)
- Promotion & Tenure Committee (2017 – present; Chair 2019-2021).
- Educational Policy Committee (2007 – 2008; 2010 - 2015; Chair 2014 – 2015; 2022 - present).
- Research Division Committee (2002 – present; Chair 2018 – 2019.).
- Mental Health Concentration Committee (2005 – present, Chair 2016 – 2017; 2022 - present).
- Doctoral Program Committee (2010 – present).
- Executive Committee (2006 – 2007).
- Social Welfare Policy & Services Committee (2006 – 2016).
- Faculty Senate (2006 – 2008).
- Teaching Excellence Committee (2013 – 2016).
- Doctoral Qualifying Exam Reviewer (2006 – present).

### Dissertation Committees:

- Peipei Zhao (2023). *Exploring syndemic conditions as predictors for HIV risk behaviors among young adults aged 18-24 in the United States*
- Kelly Horn (2022). *Gender variant young adults and their families: The role of sexual orientation and family acceptance or rejection on risk-taking behavior.*
